2008 CHRISTMAS STORE SPECIAL

11/30/2007

The Christmas store will once again be in the Conestoga Mall, Grand Island Nebraska.

The Store will be open November 5, 2008 Thru December 31, 2008. A limited number of crafters will be able to participate in our Unique Christmas Store.

Set up time will be November 2-4, Mall hours unless other arrangements are made with Jacque.. Those doing the October Conestoga mall show will be provide storage until the store is available.

Those of you who participated in the store last year will keep your same number. Please mark your merchandise with the number given, either a string tag or sticker.

Our store Last year was a great success, and most everyone who participated, have requested a space once again this year.

Our Concept is to give each Crafter a booth, 8x10, (booth size is approximate).. You will be responsible for setting up your booth, and keeping a supply of Crafts in the store, either in the storage area or in the booth itself, so we can re-stock your booth as necessary. An empty booth does not give you any profit.

Jacque and Stan will run the store, so you will be free to make more merchandise for the Christmas season. Of course you will be welcome to come into the store, re-arrange your booth or help out as needed, but that is certainly not required. We are again planning an extensive advertising campaign to promote store sales.
